Subject: Attendance Waiver Related Page(s) \_\_\_\_\_

**Action**

**BACKGROUND INFORMATION:**

This waiver allows the district or campus to request that any instructional days with attendance at least ten (10) percentage points below the last school year's average attendance due to inclement weather, health, safety-related, or other issues be excused from ADA calculations for the current school year. On a day when school was held but attendance was at least 10 percentage points below the overall attendance rate of your district (or campus) for the prior year because of weather-related or health or safety issues, the day may be excused for FSP funding purposes. For audit purposes, specific written TEA approval is required for the day to be excluded from the ADA calculations. The district must send documentation of low attendance for the day (including the reason for the low attendance rate) and the prior year's attendance report (showing the average for the year) for your district or campus to the State Waivers Unit for waiver approval.

**RECOMMENDATION:** Approval of Attendance Waiver

**BOARD ACTION REQUIRED: Sample Motion**

I move that the Board approve the Attendance Waiver
