

## PUTNAM COUNTY COMMUNITY UNIT SCHOOL DISTRICT #535

Information for the Board of Education

---

**Meeting:** November 18<sup>th</sup>, 2025

**Item:** IASB Member Needs Survey

**Information:** This survey was sent to Board of Education President Reed Wilson. The Illinois Association of School Boards (IASB) is developing a new strategic plan, and their first step is to assess the needs of school boards across the state. I recommend that the Board of Education review the survey questions, discuss any thoughts, and submit their responses.
