### PROGRAM:

#### Legal Experts Panel Discussion: Trends in the Schoolyard

In this panel discussion, attorneys **David Braun** and **Luke Feeney** with Miller, Tracy, Braun, Funk & Miller, Ltd., and **Jay Greening** with Miller, Hall & Triggs, LLC, will discuss the policy issues and practical guidance for school boards associated with student discipline matters (including a focus on SB100), cyber-bullying, and transgender students. Come learn which common issues arise for school boards considering these tough, complex cases found in every district, and also what potential liability may arise based on the school district's response. Each attorney will give some perspective, then we will take some questions from the group as time allows.
