

Playground Improvement Project

For WoodsEdge and West Campus, this project would make significant improvements to playgrounds at these locations. The project includes installing new cushioned play surfaces, playground equipment, additional concrete sidewalks as well as drainage and landscaping improvements.

Month: May 2025

Administrator: Brian Schupbach, Assistant Superintendent for Technology and Operations

Update:
Improvement of WoodsEdge and West Campus playgrounds

Action Item:
This project was designed by our architect Eckert-Wordel and RFP was issued by Miller-Davis. We are asking the Board to approve the attached award recommendations from Miller-Davis as detailed in Exhibit A.

Fiscal Impact:
\$913,829
