Dear Hidden Valley Students and Parents:

As the fall colors are blown away by early winter winds it is amazing how quickly we get to snow on the ground. As this is our last newsletter of the year, I would like to extend my warmest wishes to you and your family for a joyous Holiday Season and New Year. That we get to be involved in the growth and performance of great kids at Hidden Valley is a year round blessing to me.

There are many very important announcements in this newsletter. Please read each page and mark your calendars for the important dates for your child.

Our fall sports teams have had an outstanding season of accomplishment. Our Boys Cross Country team is ranked number one in the State, Football is on track to go deep into the playoffs and our Volleyball Team is enjoying an outstanding year. Girls and Boys Soccer continue to be alive in the playoffs. Your support and encouragement of these teams is always welcome.

Activity groups like Band, FBLA, FFA, the Math Team, Fencing and Forensics are well into their co-curricular programs. FBLA has a strong group heading to the National Conference in early November.

Our students seem to be adjusting well to the trimester schedule. As classes end on November 25th, it is vital that all student work and projects are kept current. Please continue to know what your students are expected to have done for class on a daily basis. Regular attendance and strong effort lead the way to strong academic performance.

I hope you will attend many of the events, concerts and games at Hidden Valley throughout the winter. We have many active kids who enjoy performing for adults. We are very thankful for the fans that come to support our kids.

My wish for you and your family this Holiday Season is that much happiness and joy will fill your home in all of 2009.

Sincerely,

Dennis Misner

HIDDEN VALLEY FBLA GET THE...

EDGE

Hidden Valley's FBLA chapter is constantly striving to be the best chapter possible. Our members play hard and work even harder. This work has led us to the top seven times; and let me tell you we crave an eighth state championship. This year will prove to be a challenge with the new schedule, but our chapter is already on our way to another great year. On October 8th we attended the Chapter Leadership Tour (CLT) at Rogue River High School- and it proved to be a great success! FBLA members had a lot of fun meeting new people, learning to communicate, and learning how we can better our chapters. Our hope is to carry this energy into our next FBLA conference, November 2nd and 3rd, called the Oregon Leadership Institute (OLI). OLI will be a blast and we hope to see all of our members there!

Just three days after our trip to OLI some of our members will be attending the National Fall Leadership Conference in Minneapolis, Minnesota. There will be many exciting workshops and guest speakers that will help to improve the skills needed in FBLA. We encourage you to join us in Minnesota; the trip will be greatly beneficial. Also, before we leave to winter break, the annual Christmas party will be held. On December 15th from 6-8, our advisor Mr. Fisher will be holding the Christmas party. It is a great time to get to know our members and have a fun time! Last but certainly not least, our lock-in will be on January 16th. Our chapter is on our way to a very productive year but your participation is key! Help us to our eighth state championship by joining us in these activities. Have a great holiday season from Hidden Valley FBLA!

To All Parents Project Graduation Needs Your Help!!!

Each year, it is the responsibility of Senior parents to sponsor, plan and raise funds for the all night alcohol and drug-free Graduation Party. This much anticipated event is available to EVERY graduate at no cost.

Each class respectfully requests all parents to donate \$40.00 toward this party. If all parents made this donation, nearly half of the fundraising would be complete! Many families choose to donate \$10 per year to spread out the financial commitment.

However you choose to do it, please submit your contribution to YOUR teen's graduation party. The money can be turned in to HV's bookkeeper and you'll get a receipt (tax deductible!) Please be sure to note on checks that the money is for "*Project Graduation*" **AND the year your student graduates, so it gets credited to the proper account.**

Each class also has a group of parents already working on the graduation party and could use your help. If you'd like to help with this endeavor for your teen's class, the office can put you in touch with the appropriate person.

PARENTS

Please make sure your student is up- to- date on all of their immunizations. You can bring this information to us at the beginning of the school year. Oregon law (ORS 433.267)requires every child in a school facility to have up- to- date immunizations unless he/she has a medical or religious exemption. All schools must keep an up-to-date Certificate of Immunization Status (CIS) form on file for each child.

Parents are required to let the school know, in writing, when their child receives an immunization. Thank you for keeping us informed

Hidden Valley High School Library

Our Library is open on a regularly scheduled basis. Students may also use the library before school and at lunch. The library is usually open during these times to check out books, return books, read or work on homework.

Students are expected to treat each other, myself and library materials with respect. I hope that students will feel comfortable and safe in the library. The Library opens at 8:00am.

The five most checked out library books this year are:

Uglies by Westerfield

Brisingr by Paolini

A Child called "It" by Peltzer

Twilight by Meyers

Historical Atlas of the United States

The two most requested books this year have been:

Brisingr by Paolini

Breaking Dawn by Meyers

Our school is in need of 1st through 4th grade level library books. If you have any that you no longer need please consider donating them. Donations for all reading levels are always welcome.

Our school has an excellent website put together by Susie Biller, our Office Manager. It is a great way to keep up with what is happening at our school. I am in the process of adding a library website with research databases.

Students are responsible for the books they check out. Loss, damage or theft of these books will be the responsibility of the student. Overdue books are charged fines.

If you found a book over the summer that your son or daughter paid for, I will be happy to issue you a refund.

If you have any questions or concerns, please contact me at 862-2124 Extension 218.
