

TMS Report To BOE
June 2020

8th Grade Presidential Awards:

- President's Award for Academic Achievement: Criteria for this includes maintaining a 3.5 GPA for all three years of middle school as well as at least one MAP score per year that places the student in the 85th percentile or above in math **or** reading. This year, 4 students were awarded this honor.
- President's Award for Academic Excellence: Criteria for this award is the same as outlined above except the students must have one MAP score each year that ranks them in the 85th percentile or above in reading **and** math. This year, 12 students were awarded this honor.

Personal/Locker Item Pick-Up & Drop-Off:

- We held curbside pick-up and drop-off sessions for TMS families on the afternoons of June 2-4. Our custodians bagged the items according to locker numbers and a team of paraprofessionals and office staff were onsite to hand out items to families. Thanks to all those involved, everything ran very smoothly.
