

Action Sheet

MEETING DATE:

March 31, 2021

AGENDA ITEM:

Discuss and Consider Approval of Annual
Renewal of Microsoft Volume Licensing
Agreement

This annual agreement with Microsoft is a cloud-based agreement that provides not only Microsoft desktop, server, and office licenses for all users and students, but also includes several security features bundled into the Volume Licensing agreement. In past years, many of the security features used were purchased on an a la carte basis, with the office licenses computed based on the number of FTE's (Full Time Equivalents) in the District. Under this new agreement (M365 A5), the pricing is computed by breaking down the number of users whose work relies on computers (Education Qualified Users – EQU workers) and those who are classified as light users – cafeteria workers, facilities staff, etc. The light users are given free Office A1 suites. Students also have free access to Office suites. The annual cost of the new A5 licensing is \$109,535.96. Annual pricing varies each year with staff count changes. This new pricing structure results in an overall savings to the District of \$19,556.84 when compared to the prior year.

RECOMMENDATION:

**I move the board approve the one-year
renewal of the Microsoft Volume
Licensing Agreement in the amount of
\$109,535.96, as presented.**

Jerry Gibson
Superintendent

Connie Morgenroth,
Assistant Superintendent Business and Operations
