#### Background Information

In previous years, Kindergarten classes were split into 2 groups with the first group beginning on the first Wednesday after Labor Day and the second group beginning on the first Thursday after Labor Day. The calendar initially approved for 2021-22 assumed this plan.

However, during inservice week, Kindergarten teachers now conduct mini-conferences with each family; this eliminates the need for those meetings after the school year starts for other students. As a result, the administrative team suggests beginning Kindergarten on Tuesday, September 7<sup>th</sup> for group 1 and Wednesday, September 8<sup>th</sup> for group 2.

#### Recommendation

I move to adjust the school calendar for students as per attachment.
