STRATEGIC GOAL(S): 1-4

PREPARED/PRESENTED BY: Tellauance L. Graham, Chief of Staff

Background Information

In Spring 2021, Duncanville ISD launched a comprehensive strategic planning process engaging a wide range of stakeholders to drive continuous improvement and organizational alignment. This work produced a shared vision, mission, motto, and values, along with long-range goals and strategies. The Board approved the Strategic Plan in May 2021, with implementation beginning in July 2021.

Since then, internal and external factors have impacted the feasibility of some goals, requiring a refresh to ensure continued alignment. This presentation provides the Board with proposed updates to the strategic plan goals.

This year's update emphasizes laying a strong foundation and ensuring alignment across all goals, with student academic achievement as the central focus.
