Regular Meeting April 25, 2022

**FOR INFORMATION:**

**Subject: Superintendent's Report**

Community Collaboration Group

Tomorrow, the Community Collaboration Group will have its first meeting. Currently, there are 18 members who expressed interest in joining the group. Time will be taken to establish meeting norms and make introductions, provide an overview of District 13 (history and related data), and to give the opportunity to have members of the group ask questions. Meetings will be scheduled quarterly and will last for one hour.

Eighth Grade Graduation

On Thursday, June 2, the Class of 2022 will graduate from Westfield Middle School on the football field of Lake Park High School's West campus in Roselle. The time will be 6:00 p.m., although I would recommend getting there early as parking and weather could get difficult closer to the start of the ceremony. Should it rain that evening, the auditorium at West is also booked for our use and an announcement indicating if the ceremony will be there will be made prior to the event. If there are specific students you would like to hand a certificate to, please let Ms. Whitaker know and she will get it arranged on your behalf.

Return to Learn

During the meeting, I will brief the Board on the following topics:

- An overview of the data used to monitor the health of the schools and community;
- Other topics related to the District's pandemic response.

I will also be happy to answer any questions you may have that I did not address.
