RE: 2020-2021 SNOW REMOVAL CONTRACT

Our snow plowing contractor, TNT Landscape Construction Inc., is looking to renew our snow removal agreement with them for the next winter season. Our last contract ended at the conclusion of the last season. The 2020 thru 2021 charge will be \$795.00 per snow event for all three buildings. This represents an approximate increase of two percent per snow event over last year's contract. Last season snow removal costs were approximately \$16,000.00.

Based on our past successful relationship with TNT Landscape Construction, Inc. I will be renewing the snow removal contract for the 2020-2021 winter season with TNT.
