

## River Road ISD Core Beliefs

1. We believe a learning environment where everyone experiences security, care, dignity, and respect is essential.
2. We believe excellence requires integrity, commitment, passion, pride, and the ability to overcome adversity.
3. We believe education requires meaningful involvement and is the shared responsibility of the student, the parent/guardian, the school, and the community.
4. We believe everyone has a responsibility to serve as a positive role model to enhance relationships between students, staff, parents, and community members.
5. WE BELIEVE IN THE ROAD!
