## 2024 Review of ACSO Drug/ Alcohol/ Tether program

- Our drug testing program officially started in April of 2024. Alpena County Juvenile Division and 88<sup>th</sup> District Court were the first courts to come on board. In July we started Alpena County Pretrial Release which included tethers and drug tests being paid for by Community Corrections.
- We administered 826 Drug Tests and/or PBT's
- Of those tests, 2.66 % resulted in positive tests.
- We brought in \$22,671 and had expenses of \$5,673 which brings the total profit of \$16,998.
- We completed 3 Pre-Employment drug tests for Alpena Twp at \$50 a test (\$150)
- We completed 9 Pre-Employment drug tests for Alpena County saving the county \$450
- In December 2024, we started the ACSO tether program. The first month saw income received of \$1,925.

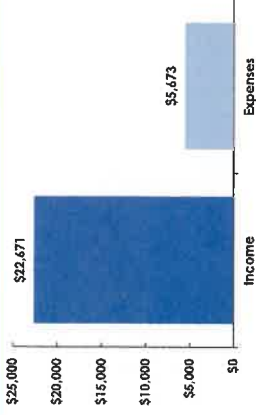

### Goals for 2025:

- Continue to grow the drug and alcohol testing program.
- Phase out Pretrial Release drug testing and tether program
- Continue to grow the ACSO tether program and work with all courts in Alpena County
- Work on obtaining grants to help fund the drug testing and tether program
- Officially roll out the Non DOT Pre-Employment drug testing program to area companies
