Coppel High School is submitting four innovative course applications for the 2008-2009 school year. **Sports and Entertainment Marketing** (1 credit) and **Ready, Set, Teach! I & II** (2 credits) are renewals. These classes have been a part of the CHS course offerings and been very beneficial to the students. Two courses will be new to CHS and the applications will be for approval of the TEKS to teach the course. The new courses are **Sports Medicine** (1 credit) (an addition to Health Science) and **Advanced Digital Graphics** (1 credit) (Arts, A/V Technology and Communications).
