Pre-registration will begin May 2, 2022 at each school building. We strongly encourage pre-registration as it will help plan the fun activities. Field labs will occur each week with each cohort.

The 4 cohorts are: Pre K-2nd grade; 3rd grade to 5th grade; 6th grade to 8th grade; & high school. Students will register in the cohort aligned with their current grade level. Be on the lookout for more cohort specific information regarding Summer School, its going to be Sukapi!!!
