

104 SCHOOL DISTRICT VISION AND MISSION STATEMENTS

I. PURPOSE

The purpose of this policy is to establish a clear statement of the purpose for which the school district exists.

II. GENERAL STATEMENT OF POLICY

The school board believes that vision and mission statements should be adopted. The vision statement should describe ‘where we want to be’ and the mission statement should describe ‘what we do every day’. The school board, on behalf of and with participation by the community, should develop a consensus among its members regarding the purposes it serves, the constituencies it should consider, and the results it intends to produce.

III. VISION STATEMENT

Lewiston – Altura Public Schools seeks to empower every student and staff member with the determination to achieve their full potential, develop essential life skills, support and respect others, and embrace lifelong learning for a successful future.

IV. MISSION STATEMENT

Preparing for Success.

IV. REVIEW

The school board will review the school district’s mission every two years, especially when members of the board change. The school board will conduct a comprehensive review of the mission, including the beliefs and values of the community, every five to seven years.
