**-initiatives**

**Norms:**

**Be on time. Stay on task. Assume positive intent. Have fun!**

**December 12, 2023-**

**Attendance- Rachael, Melanie, Colin, Claire, Joe, Beth**

Solarium Update- Bud is going to be putting together the aquaponics system soon. We had a bug infestation that had to be taken care of first. Is there anyone who's class would like to participate? I will get it lined up with Bud if we have any takers.

We bought some aquaponic curriculum for grades 3-6. Once things are up and running I think it would be great if kids take over the care of the plants and fish. Once we are good to go, I will create a signup sheet for jobs.

We received a donation of \$50.00 from the Crosslake Gardening Club. Members are willing to come in and talk to kids about plants and gardening. Anyone here interested? Melanie will send out an email to check on interest. Joe is interested. He's going to be doing a unit on gardening.

Solar Update- Melanie will check in with the lakes foundation to see if we can pursue this further. We haven't done much with it since our last meeting.

Anything else?
