**Item Name: DISCUSSION OF MELTON ELEMENTARY SCHOOL, RANDLE ELEMENTARY SCHOOL AND TERRELL ELEMENTARY SCHOOL REZONING PROCESS AND OPTIONS**

**Item Summary:** In a growing school system, it is inevitable that the district's attendance zones will change to accommodate the growth. As new schools open and population shifts occur, the District may adjust attendance zones. With Melton Elementary School, Randle Elementary School, and Terrell Elementary School opening in August 2024, and Elementary School #36 opening in August 2025, Lamar CISD needs to rezone some elementary campuses to create the population of students who will attend these new campuses.

In addition, as a fast-growing district, we are experiencing significant enrollment increases in some areas. As a result, some schools are over capacity while others have available capacity. The Board of Trustees may consider leveling plans to balance student enrollment across campuses and alleviate overcrowding.

This item is to review the process and draft zoning options for elementary schools for the 2024-2025 school year and beyond.
