**Re: Bleacher Replacements at Town Center Elementary – 2016 Bond Project #39 and Coppell Middle School North – Bond Project from 2013 Bond**

As part of the 2016 Bond Projects (Project #39), the gymnasium bleachers at Town Center Elementary are to be replaced.

As part of the 2013 Bond Projects, the gymnasium bleachers at Coppell Middle School North are to be replaced.

The Interlocal Contract purchasing method as provided in the Texas Education Code 44.031 was used to obtain proposals through the Educational Purchasing Cooperative of North Texas (EPCNT).

John F. Clark provided the proposal with the best value for the district for Town Center Elementary at \$23,441.00 through TASB BuyBoard – Contract #412-13. \$25,000 was budgeted for this project. The pricing is turn-key and includes all materials, labor, and removal/disposal of old bleachers.

Academic Specialties provided the proposal with the best value for the district for Coppell Middle School North at \$99,675.00 through TASB BuyBoard – Contract #502-16. \$102,000, including contingency, was budgeted for this project. The pricing is turn-key and includes all materials, labor, and removal/disposal of old bleachers.

Both of these companies have great service records, and have worked for Coppell ISD in the past with great success.

**RECOMMENDATION:** That the Coppell ISD Board of Trustees approve John F. Clark as the contractor to complete the bleacher replacement at Town Center Elementary for the sum of \$23,441.00, and Academic Specialties to complete the bleacher replacement at Coppell Middle School North for the sum of \$99,675.00.
