

PREPARED FOR:

Cedar Hill Independent School District

Date: 05/08/2020

Achieve3000

**PARTNERSHIP OVERVIEW
& INVESTMENT PROPOSAL**

Overview

Cedar Hill ISD is focused on providing innovative opportunities and academic challenges preparing all students for the global marketplace.¹

At Achieve3000, we share in your commitment to innovation and academic excellence. We will work with you to help your students achieve the critical literacy knowledge and skills necessary for college and career success.

Together, we will work to meet the student growth goals you envision by:

- **Addressing K-12 Literacy Needs.** Achieve3000 supports students' literacy needs from foundational skills through comprehension. In addition, we provide a wealth of non-fiction science and social studies content which helps students develop key literacy skills while building content-area knowledge and vocabulary simultaneously.
- **Supporting Data-Driven Instruction.** Our powerful reporting suite and Data Center provide teachers, administrators, and students the ability to monitor student progress in real time, resulting in targeted, results-based academic decisions. Further, our integration with NWEA MAP enables teachers to assign lessons to address skills strengths and weaknesses directly tied to MAP assessment results.
- **Customizing Professional Development Services.** Our curriculum and implementation experts work with you to tailor professional learning experiences for the goals of your site and participants in order to help teachers and administrators accelerate literacy learning to the next level for all populations of students.

Achieve3000 looks forward to being your partner in education. We are invested in your district's success and we understand now, more than ever, collaboration and continuity are essential in supporting the needs of your students and teachers.

Achieve3000 Learning Solutions

Guaranteed
Learning Acceleration

Achieve3000 Literacy is proven to accelerate literacy growth across all populations of students, and ensures every student, especially the most vulnerable, continue to learn and accelerate. It is rated “strong” by Evidence for ESSA with the largest effect sizes in the nation.

In fact, we are so committed to providing accelerated literacy growth, we have introduced our **new Achieve3000 Acceleration Guarantee**, which promises 2X expected reading gains in a single school year, or the following year is on us! Visit www.Achieve3000.com for terms and conditions.
