FREE BREAKFAST & LUNCH

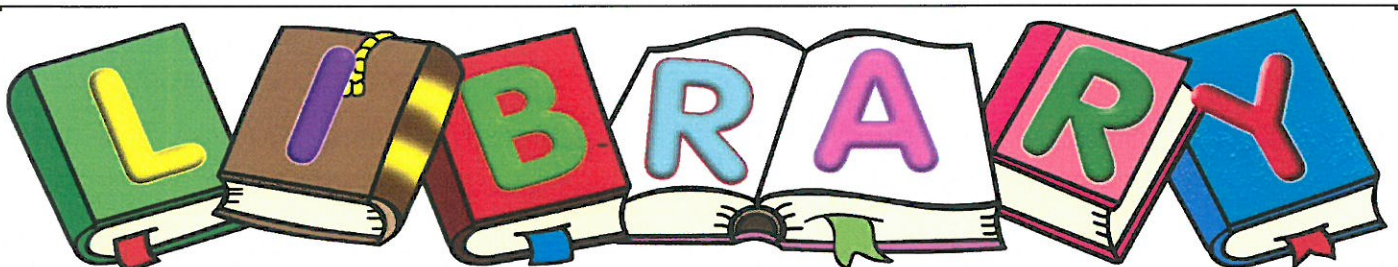

Please remember there is no charge for your student to eat breakfast or lunch at school again this year. Remind your student they can eat free any day of the week.

Library News

Battle of the Books is in full-swing! We have 7 students participating. Each student will read at least 8 of the 16 books by January, and must pass their AR tests with 80% or better to be on the competing team. We are looking forward to a district battle this year, and possibly going to Regionals this spring. Mrs. DeForest and Mrs. Haberman coach the class every Monday immediately after school

Avoiding Library Fees & Fines

Students are allowed to check out up to 3 books for a 2-week loan period. Then the books must be returned, or renewed at that time. If the book isn't re-scanned by the due date, it becomes overdue and will begin receiving a fine of \$0.05 per day until it is returned. Language Arts classes come in every week to renew books, and the library can be used at free times during the day also. Lost or damaged books will have a replacement or repair fee added to the outstanding student's account. Fines and fees will make a student ineligible for PBIS activities if not paid before the deadline. Book fines travel within our school district to the next library, and if books need to be returned for another school, please give them to the Librarian. So keep books up-to-date, and be responsible with them in order to avoid library fines and fees.

Homework Help & Study Day

Wednesdays—Starting November 7th

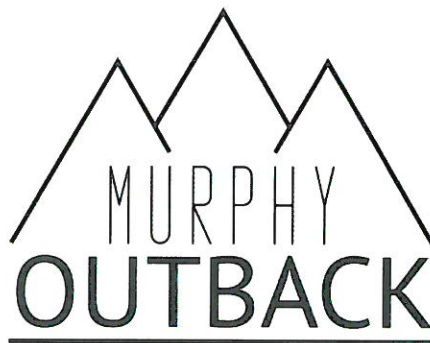

Free to all middle school students

Our goal is to help students complete class work/homework, study for tests and help reach educational goals.

To be eligible for study time at the Outback, students must bring homework assignments, study materials and a book to read each time they wish to attend.

We may wish to contact parents regarding a student's progress so if we do not have a current Outback permission slip on file we ask that you complete and return one to us before your student attends.

If you have any questions please contact Joe Pedersen at 541-450-3155 or murphyoutback@gmail.com.

Welcome to another year at The Outback! We are excited to see old faces and meet new ones as we begin a year full of making memories and having fun! We ask that you abide by these rules to ensure this year is filled with safety, respect and good, clean fun! By signing below, by both guardian and student, you are committing to following our Outback standards and agree to the consequences if such rules are broken.

Skills Mastery and Resistance Training

SMART
moves

Topics covered in the two week program:

- Knowing the good and bad areas of your community
- Media and common advertising techniques geared towards youth
- Seven steps to making good choices
- Learning how to choose good role models
- Understanding the qualities of a true friend
- Addressing peer pressure/using positive, yet as-ertive behavior
- Risks of underage gambling
- Stress and coping skills
- Understanding the risks of Drug & Alcohol use

Through pre and posts tests, we have found that upon graduation of the SMART Moves Program, students have shown an average of a 90% increase in knowledge of risky behavior, underage drinking and drug abuse.

"... they spoke on peer pressure (good and bad), coping techniques, detriments of drugs, alcohol, gambling, and other dangerous behaviors. They stimulated my students to think about their future and what the decisions they are making now, will and can affect them currently and later in life ... {they} gave many facts and valid examples to back up the material given. Each day my students were excited to see and hear what they were presenting that day."
