Administrative Procedure - Interview Questions

Anti-discrimination laws affect all steps of the employee hiring process. Knowledge of the characteristics on which these laws prohibit inquiry is especially critical when conducting interviews. Sloppy interview practices can result in the appearance of illegal discrimination or even actual discrimination.

Interviewers should avoid seeking information that will not be used to make an employment decision. Assume that a rejected applicant may believe that all information acquired was used. The District, if challenged, must explain why it asked for the information – a very difficult task when the information involves race, sex, religion, age, disability, etc. Information needed for insurance, tax, social security, or similar purposes should be obtained after employment. The following list of protected characteristics may not be complete because of the rapidly changing nature of discrimination laws.

Protected Status	Do not ask	Permissible to ask
Race and color	What race are your parents?	
Alienage, ancestry, national origin, nationality, and citizen status (provided the individual is authorized to work in the U.S.)	In what country were you born? In what country were your parents born? Are you a naturalized citizen?	Are you legally authorized to work in the United States? What languages do you read, speak, or write fluently?
Marital status	Are you married? Single? Divorced? Engaged? Are you living with someone? Would your spouse move with you if you got this position? What is your maiden name?	
Gender, including parent and pregnancy status	What are your future family plans? Are you pregnant? Do you have children? What are their ages? Do you have child care?	Is there anything that would interfere with regular work attendance? Are you available to work overtime?

Religion or creed	What religious holidays do you celebrate?	We need you to work on [<i>insert days</i>]. Are you available to work those days?

Protected Status	Do not ask	Permissible to ask
Age	When do you plan to retire? When do you plan to collect your pension?	What are your long-term career goals?
Military status	Will you miss work because you are a member of a U.S. Reserve unit, such as, Army Reserve or Marine Corps Reserve, or a member of a National Guard unit?	How does your military training or experience prepare you for this job?
Unfavorable discharge from military service	Under what circumstances were you discharged from the service?	
Arrest record Conviction that is not on the School Code's list of disqualifying convictions The Job Opportunities for Qualified Applicants Act, 820 ILCS 75/, prohibits an employer from asking about a criminal record until the employer determines that the applicant is qualified for the position; however, this does not apply when employers are required to exclude applicants with certain criminal convictions from employment. Thus, school employers should limit their requests for criminal convictions to job-disqualifying convictions.	Have you ever been arrested? Spent time in jail?	Have you ever been convicted of attempting to commit, conspiring to commit, soliciting, or committing any crime in the following list? (1) any sex offense or drug offense, as defined in Sec. 21B-80(a) of the School Code, (2) first degree murder or a Class X felony, or (3) any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as one or more of the foregoing offenses. 105 ILCS 5/21B-80.
Use of lawful products during non-working hours	Do you smoke or use tobacco products during non-working hours? Do you consume alcoholic beverages during non-working hours?	Have you been disciplined by an employer for violating its rules forbidding the use of alcohol or tobacco products?
Genetic information	What were the results of any diagnostic, predictive, or pre-symptomatic genetic testing that you've had?	See section on <i>disability</i> below.

Compliance with the Fair Labor Standards Act 1

Job Classifications

The Superintendent will ensure that all job positions are identified as either “exempt” or “non-exempt” according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are “exempt” or “non-exempt.”² “Exempt” and “non-exempt” employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for District employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday.³ Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours.⁴ “Overtime” is time worked in excess of 40 hours in a single workweek.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy’s content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, or terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

The Illinois Minimum Wage Law, 820 ILCS 105/4a, covers all school employees, although many are exempt from overtime requirements. The federal Fair Labor Standards Act (FLSA) (29 U.S.C. §201 *et seq.*) also covers school employees. The law offering the greatest benefits to employees will control specific issues.

School districts in several states are experiencing widespread action by non-exempt employees to recoup unpaid overtime wages. Many of these actions have been successful because the school district did not strictly comply with overtime requirements or recordkeeper’s requirements. See 29 C.F.R. Part 785 (Hours Worked) and 29 C.F.R. Part 516, (Records to Be Kept by Employers). The U.S. Dept. of Labor (DOL) frequently finds employees misclassified as independent contractors or exempt employees. School officials are strongly encouraged to seek assistance from their attorney when making decisions involving wage and hour issues.

² “Exempt” employees are exempt from overtime requirements. An exempt employee, according to Illinois law, is “any employee employed in a bona fide executive, administrative or professional capacity, . . . , as defined by or covered by the Federal Fair Labor Standards Act of 1938 and the rules adopted under that Act, as both exist on March 30, 2003, but compensated at the amount of salary specified [in the current rules].” 820 ILCS 105/4a. By referring to the definitions in the former federal rules, the Illinois legislature rejected the DOL’s effort to expand the number of employees who are exempt from overtime requirements. To qualify for exemption in Illinois, employees generally must meet certain tests regarding their job duties and be paid on a “salary basis” at not less than \$455 per week. To check compliance, districts should review their list of exempt employees with their attorneys.

³ Employers must identify the workweek, but may designate any seven-day period. **Boards should ascertain what is currently used as a workweek to avoid inadvertently adopting a policy containing a different designation.** The workweek in this sample policy allows supervisors to adjust employee schedules at the end of the week if an employee was required to work the weekend.

⁴ Setting the workweek at 40 hours avoids having to pay an employee additional “straight time” compensation for the extra hours up to 40.

Overtime

A non-exempt employee shall not work overtime without his or her supervisor's express approval.⁵ All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Superintendent or designee's written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Superintendent. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board policy 5:310, *Compensatory Time-Off*.⁶

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status.⁷ Licensed employees may be suspended without pay in accordance with Board policy 5:240, *Professional Personnel - Suspension*. Non-licensed employees may be suspended without pay in accordance with Board policy 5:290, *Educational Support Personnel - Employment Termination and Suspensions*.

Implementation ⁸

The Superintendent or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law, the latter shall control.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁵ This policy requires a supervisor's express approval as a best practice. However, employers will also be liable for work time when the employer knows or has reason to know work is continuing on or offsite. See 29 C.F.R. §785.11 and 5:35-AP3, *Compensable Work Time for Non-Exempt Employees Under the FLSA*. Employees must be compensated for all time worked, even if it is unauthorized overtime. However, employees who intentionally work unauthorized overtime may be subject to disciplinary action.

⁶ Optional. The FLSA regulates the use of *comp-time*. 29 C.F.R. §§553.22-553.28. Before offering comp-time, a board must have a compensatory time-off policy or the topic must be covered in an applicable collective bargaining agreement. See 5:310, *Compensatory Time-Off* and 5:310-E, *Agreement to Receive Compensatory Time-Off*.

⁷ Docking an exempt employee's salary (e.g., for a disciplinary suspension) may result in the loss of the exemption unless the deduction was specifically authorized. Teachers, however, are not covered by this restriction.

⁸ The FLSA is administered by the Wage and Hour Division of the DOL. Its website contains compliance guidance, posters, and e-tools (www.dol.gov/WHD/flsa/index.htm).

Compensable Time Defined for Non-Exempt Employees

The amount of pay due an employee cannot be determined without knowing the total number of hours actually worked by that employee in each workweek. An employee must be paid for all of the time considered to be hours worked, and all time that is *hours worked* must be counted when determining overtime.

Non-Exempt Employee - The term *non-exempt employee* refers to employees who are not exempt from the overtime provisions in the wage and hour laws. See administrative procedure 5:35-AP1, *Fair Labor Standards Act Exemptions*.

Hours Worked - Non-exempt employees must be compensated for all hours worked in a workweek. In general, hours worked include:

- All the time an employee must be on duty;
- All the time an employee must be on the employer’s premises;
- All the time an employee must be at any other prescribed place of work; and
- Any additional time the employee is allowed, i.e., “suffered or permitted” to work (commonly referred to as “working off the clock”).

Suffered or Permitted to Work - If an employer knows or has reason to know that a non-exempt employee starts work early or continues to work late, it is considered work time. 29 C.F.R. §785.11.

This includes knowing or having reason to know that an employee works at home, e.g., as when a Building Principal’s secretary calls for substitutes early in the morning. 29 C.F.R. §785.12.

If an employee works additional straight time, at the regular rate of pay, or overtime hours without authorization, that employee must still be compensated but may be disciplined for violating School Board policy.

Volunteering to Perform Regular Work - Non-exempt employees may not volunteer to perform their regular work duties off-the-clock and without compensation. 29 U.S.C. §203(e)(4)(A). An employee must be paid even if he or she offers to do the work on his or her *own time*. Employees may not waive wage and hour law requirements.

Volunteering to Perform Services that Are Not the Same as Regular Work - Non-exempt employees may volunteer to perform services under these conditions:

1. The volunteer services are not the same as or similar to the employee's regular work duties,
2. The employee offers the services freely and without coercion, direct or implied, and
3. The employee provides the services without promise of compensation although a volunteer may be paid "expenses, reasonable benefits, or a nominal fee to perform such services." 29 U.S.C. §203(e)(4)(A), 29 C.F.R. §553.101 and 103.

A fee is not nominal if it is a substitute for compensation or tied to productivity. 29 C.F.R. §553.106(e). While the specific circumstances in each case must be analyzed, the District will generally limit nominal pay to employees for volunteer services to no more than 20% of what the District would otherwise pay to hire an employee for the same services. See *Wage and Hour Division (WHD) Opinion Letters* FLSA 2005-51 (11-10-05); FLSA 2006-28 (8-7-06); and FLSA 2006-28 (10-7-06). See also *WHD Opinion Letters* FLSA 2004-6 (7-14-04); and FLSA 2004-8 (9-7-04) for examples of non-exempt school employees serving as volunteer athletic coaches. U.S. Dept. of Labor WHD opinion letters are available at: www.dol.gov/whd/opinion/search/index.htm?FLSA.

Examples of Hours Worked for Non-Exempt Employees

Meal periods, unless the employee is completely relieved of all duties and free to leave the duty post for at least 30 minutes. Teacher aides who must supervise students during their lunch are not considered relieved of duties. Employees who eat at their desk and answer phones or otherwise perform work are not considered relieved of duties.

Attendance at inservices, meetings, or lectures, unless: (1) attendance is outside the employee's regular working hours, (2) attendance is voluntary, (3) the activity is not related to the employee's job, and (4) the employee performs no productive work for the District.

Coffee breaks or rest periods of 20 minutes or less.

Work done at home if the supervisor knows or should have known that such work was done.

Work done before or after regular hours or on weekends.

On-call time if the employee is required to remain on the employer's premises or so close that he/she is unable to use the time effectively for his/her own purposes while on-call.

Transporting material to a worksite before the start of the workday.

Time spent preparing for work, e.g., bus drivers doing safety checks before the route or securing the bus after the route.

Clean-up work at the end of a shift.

Travel time during the workday from one job site to another, e.g., non-exempt school nurses traveling from one school to another.

Travel time during the regular working hours, even if it is the weekend.

Attending a Board meeting at night either to take minutes or perform some other required or assigned duty.

Administrative Procedure - Fair Labor Standards Act 12-Step Compliance Checklist

Important - School officials should contact the Board Attorney for application of the Fair Labor Standards Act (FLSA) to specific situations. The information contained in this procedure, and any information provided in the hyperlinks contained in it, should be confirmed with the Board Attorney before its application to a specific situation.

The U.S. Dept. of Labor, Wage and Hour Division, administers the FLSA. It posts an encyclopedic amount of information on the FLSA on its website at: www.dol.gov/whd/regs/compliance/hrg.htm#8.

Checklist for compliance with the FLSA:

1. Classify employees as exempt or non-exempt.

Identify which employees are covered by the overtime requirements of the FLSA, i.e., *non-exempt*, and which employees are exempt from the overtime requirements. See Administrative Procedure 5:35-AP1, *Fair Labor Standards Act Exemptions*, for a list of school employees traditionally exempt and non-exempt. Include a record in each employee's file stating whether he or she is exempt or non-exempt.

An exemption from the FLSA overtime pay/compensatory time requirements is the exception, rather than the rule. Any uncertainty should be resolved in favor of finding the employee to be non-exempt and the overtime compensable, as the burden is on the school system to prove that exemptions are applicable.

2. Make sure all employees have access to and understand the School Board policy and administrative procedures on the workweek, overtime, and compensatory time. See Board policy 5:35, *Compliance with the Fair Labor Standards Act*, and Administrative Procedure 5:35-AP3, *Compensable Work Time for Non-Exempt Employees Under the FLSA*.

In addition, make sure that all employees:

- a. Are provided a copy of the Board policy or access to the Board policy published on-line;
- b. Acknowledge that they have received and understand the policy; and
- c. Agree to follow the policy and procedures or be subject to discipline.

3. Notify non-exempt employees of their expected work hours in a workweek.

Be clear that the salary of non-exempt employees is paid for a 40-hour workweek. Supervisors may regularly schedule employees to work 37.5 hours per week and leave the remainder as possible flexible time. However, to avoid the possibility of *straight-time* claims for hours worked between 37.5 and 40, supervisors need to clearly communicate that the District pays employees a salary for up to 40 hours of work and that the District retains the right to request that the employee perform additional duties up to 40 hours without additional pay.

4. Keep precise records of the hours worked by every non-exempt employee by using a good timesheet, time clock, computerized check-in system, or other method. Make sure individual employees keep and sign their weekly record of hours worked. Print an acknowledgment similar to the following on every time sheet: "I acknowledge that I have reviewed this time sheet and that it accurately records all of the time that I worked for the District on the dates

indicated and that I did not work for the District at any other times during the workweek that are not recorded on this timesheet.”

5. Annually train District supervisory staff, as well as supervisors when first assigned supervisory duties, on FLSA compliance issues, including:
 - a. What counts as compensable work time (see Administrative Procedure 5:35-AP3, *Compensable Work Time for Non-Exempt Employees Under the FLSA*);
 - b. How timesheets must be completed for non-exempt employees; and
 - c. Their duty to monitor timesheets and verify time worked.
6. Train all non-exempt staff when hired and regularly thereafter on the following topics:
 - a. Board policy requirements;
 - b. What counts as compensable time; and
 - c. How to complete timesheets correctly.
7. Require non-exempt employees who want to volunteer to execute a Volunteer Agreement. See Exhibit 5:35-E, *Volunteer Agreement Executed by a Non-Exempt Employee*.

Non-exempt employees may only volunteer to perform services on behalf of the school that do not involve the same types of duties they regularly perform in their jobs. Further, in order to be a bona fide volunteer (1) the volunteer services may not be the same as or similar to the employee’s regular work duties, (2) the employee must freely and voluntarily, i.e., without any direct or implied coercion or requirement, agree to perform the volunteer services, and (3) the employee provides the services without promise of compensation; however, a volunteer may be paid expenses, reasonable benefits, or a nominal fee to perform the services. See Administrative Procedure 5:35-AP3, *Compensable Work Time for Non-Exempt Employees Under the FLSA*, for information about *nominal fees*.

8. Have all non-exempt employees sign the following documents:
 - a. A statement that they were given a copy of the Board’s policy on work time and have reviewed it, and that they understand violators may be subject to discipline; and
 - b. If applicable, an agreement that any overtime worked over 40 hours per week will be compensated with time and a half compensatory time rather than overtime pay. See Exhibit 5:310-E, *Agreement to Receive Compensatory Time-Off*.
9. Have supervisory, payroll, and business staffs monitor weekly time records.

Make sure that supervisory staff continuously monitors weekly time records for accuracy and completeness, and that they report all overtime worked by non-exempt staff to the finance office for either overtime pay or compensatory time credit.
10. Keep FLSA-required records for non-exempt and exempt employees. See Administrative Procedure 5:35-AP2, *Employee Records Required by the Fair Labor Standards Act*.
11. Post all federal and State required employment posters.

Make sure that all employment posters are widely posted, e.g., in the teachers’ lounge, school office, cafeteria kitchen, bus garage, janitor’s closet, and other places where employees gather.
12. Consult the Board Attorney about FLSA compliance.

Communicable and Chronic Infectious Disease ¹

The Superintendent or designee shall develop and implement procedures for managing known or suspected cases of a communicable and chronic infectious disease involving District employees that are consistent with State and federal law, Illinois Department of Public Health rules, and School Board policies. ²

An employee with a communicable or chronic infectious disease is encouraged to inform the Superintendent immediately and grant consent to being monitored by the District's Communicable and Chronic Infectious Disease Review Team. The Review Team, if used, provides information and recommendations to the Superintendent concerning the employee's conditions of employment and necessary accommodations. The Review Team shall hold the employee's medical condition and records in strictest confidence, except to the extent allowed by law. ³

An employee with a communicable or chronic infectious disease will be permitted to retain his or her position whenever, after reasonable accommodations and without undue hardship, there is no substantial risk of transmission of the disease to others, provided an employee is able to continue to perform the position's essential functions.⁴ An employee with a communicable and chronic infectious

Arline*, 480 U.S. 273 (1987) (teacher with tuberculosis was protected by the Rehabilitation Act). The decision supports the position that an HIV-positive employee or applicant who is "otherwise qualified" to perform the job must be reasonably accommodated despite having AIDS.

Following the expansion of the definition of a disability under the Americans with Disabilities Act Amendments Act (ADAAA), Pub. L. 110-325, the ADAAA may protect an HIV-positive employee or applicant. 42 U.S.C. §12102(2)(A); 29 C.F.R. Part 1630. The federal government's position is that HIV infection qualifies as a disability under the Americans ADAAA. See www.ada.gov/hiv/ada_q&a_aids.pdf (U.S. Dept. of Justice) and www.eeoc.gov/eeoc/publications/hiv_individual.cfm (EEOC). Other contagious diseases may also qualify as disabilities under the ADAAA; however, employers are not required to accommodate employees in those cases where there is an actual direct threat to the health or safety of others that cannot be eliminated or reduced by reasonable accommodation. 29 C.F.R. §1630.2(r). Boards should consult with their attorneys regarding how the ADAAA and its implementing regulations impact the employment of an individual with a communicable disease who is otherwise qualified to perform the job.

³ This paragraph is optional. While not required by law, the creation and use of a Communicable and Chronic Infectious Disease Review Team (CCIDRT) could greatly assist a district's efforts to review data on an employee who has a communicable or infectious disease. Its members are appointed by the superintendent according to 2:150, *Committees*. Whether the CCIDRT is an administrative committee organized by the superintendent and/or administrators or a board committee subject to the Open Meetings Act must be discussed with the board attorney (see also 2:150-AP, *Superintendent Committees*). The CCIDRT is guided by the board's policies, Ill. Dept. of Public Health rules and regulations, and all other applicable State and federal laws. The CCIDRT also consults the employee's personal physician and local health department officials before making any recommendations.

The Americans with Disabilities Act (ADA) specifies that only an employee's direct supervisor and someone who would need to know in the event of an emergency may have access to an employee's medical records. 42 U.S.C. §12112(d). The Review Team's ability to operate may depend on the employee's waiver of the ADA's confidentiality provisions.

⁴ Required by 42 U.S.C. §12101 *et seq.*

disease remains subject to the Board's employment policies including sick and/or other leave, physical examinations, temporary and permanent disability, and termination.

Responsibilities Concerning Internal Information 1

District employees are responsible for maintaining: (1) the integrity and security of all internal information, and (2) the privacy of confidential records, including but not limited to: student school records, personnel records, and the minutes of, and material disclosed in, a closed School Board meeting. Internal information is any information, oral or recorded in electronic or paper format, maintained by the District or used by the District or its employees. The Superintendent or designee shall manage procedures for safeguarding the integrity, security, and, as appropriate, confidentiality of internal information.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

1 State and federal law controls the content of this policy to the extent that: (1) the unauthorized disclosure of student school records is prohibited by the Family Educational Rights and Privacy Act (20 U.S.C. §1232g) and the Ill. School Student Records Act (105 ILCS 10/); (2) the Freedom of Information Act (FOIA) (5 ILCS 140/) exempts from disclosure certain private or personal information, employee evaluations, school security and response plans, and maps; (3) if a district offers a self-insured group health plan or flexible spending account, it must establish clear procedures to protect the employees' health information (45 C.F.R. §164.502); (4) the Ill. Personnel Record Review Act governs the release of an employee's disciplinary action (820 ILCS 40/); and (5) any person who knowingly destroys, removes, conceals, or alters any public record with the intent to defraud any party commits a Class 4 felony (50 ILCS 205/4). These are examples of the laws requiring the safekeeping of district and school records.

This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. If a local collective bargaining agreement contains a provision on these responsibilities, it will supersede this policy and the board policy should state, "Please refer to the applicable collective bargaining agreement." For employees not covered, the policy should reflect the board's current practice.

This sample policy's intent is to safeguard district records accessed or created by employees. This includes protecting the district from unauthorized release of confidential records or the destruction of records. While the legal guidance is sparse, districts should take steps to avoid security breaches. Some districts may have more legal obligations than others. School districts that are considered *covered entities* under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) (Pub.L. 104-191) are required to comply with the HIPAA Privacy Rule. See f/n 1 of policy 7:340, *Student Records*, for further discussion of HIPAA. Furthermore, districts that allow foreign exchange students to attend their schools may need to put safeguards in place in order to protect data that is transferred to the Student and Exchange Visitor Information System (SEVIS). See f/n 18 of policy 7:50, *School Admissions and Student Transfers To and From Non-District Schools*, for further discussion of SEVIS.

To help maintain the integrity of records, districts should prevent their over-accumulation. Not all internal information must be preserved even if it is a *public record* for purposes of FOIA. According to the Local Records Act (50 ILCS 205/) a record must be retained only when it contains: (1) evidence of the district's organization, function, policies, procedures, or activities; or (2) informational data appropriate for preservation. While this is a slippery slope without definitive parameters, recorded information may generally be deleted that are conversational or personal, meeting notices, spam, email of a transient nature, duplicate material sent from other staff members, and draft material. However, no district record, no matter its form, may be destroyed if it is subject to a litigation hold. See 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. For guidance on Board member use and retention of email, see 2:140-E, *Guidance for Board Member Communications, Including Email Use*.

Temporary Illness or Temporary Incapacity ¹

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits.² However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the employee. The School Board's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of his or her gross salary. Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes a teacher or other licensed employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act.³ The

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

This policy is consistent with the minimum requirements of State law. The local collective bargaining agreement may contain provisions that exceed these requirements. When a policy's subject matter is superseded by a bargaining agreement, the board policy can state, "Please refer to the applicable collective bargaining agreement." For employees not covered, the policy should reflect the board's current practice.

² Temporary mental or physical incapacity as determined by a medical examination is not cause for dismissing a teacher. 105 ILCS 5/10-22.4 and 5/24-13.

³ A teacher's contractual continued service status is not affected by an absence caused by temporary illness or temporary incapacity. 105 ILCS 5/24-13. Two cases, decided before the Americans with Disabilities Act (ADA) (42 U.S.C. §12101 *et seq.*) was enacted, held that this statute grants school boards the power to define, through policy, temporary illness or incapacity. School Dist 151 v. ISBE, 154 Ill.App.3d 375 (1st Dist. 1987); Elder v. School Dist. No.127 1/2, 60 Ill.App.2d 56 (1st Dist. 1965).

Important: Until February 2014, this paragraph in the **PRESS** sample policy applied to all employees. We limited its application to teachers in response to feedback that the paragraph should align with the statute. Section 24-13, which this paragraph implements, applies only to teachers and, thus, we amended the paragraph to make it applicable only to teachers. **This change may trigger a bargaining requirement with a bargaining unit for educational support personnel.**

Despite the statute's limitation to licensed employees, many boards apply this language to educational support personnel. **Consult the board attorney** about whether to apply this language to educational support personnel. For boards that wish to apply this language to both licensed and educational support personnel, strike ~~teacher or other licensed~~ from the text of the first two sentences of this paragraph and correct the grammar.

The Illinois appellate court decisions cited above upheld a board policy designating when a temporary [illness or] incapacity becomes permanent for the purpose of being a cause of dismissal. The court approved using 90 days of absence due to illness, after the exhaustion of sick days, as the point at which the district considers termination. The court upheld a hearing officer decision noting that a policy providing for a 90-school-day absence following exhaustion of sick leave was sufficient under Section 24-13. The court noted that applying that particular policy over a two-year period would not be appropriate because the two-year period would have the effect of allowing the school board to define a temporary illness or incapacity out of existence; i.e., making it impossible for a teacher to qualify for such an absence. **Important:** a district should consult the board attorney before determining that a teacher's temporary illness or incapacity became permanent.

Superintendent may recommend this paragraph's use when circumstances strongly suggest that the teacher or other licensed employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the District's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity. ⁴

The point at which any employee's temporary disability becomes permanent must be analyzed using the Americans with Disabilities Act(42 U.S.C. §12101 et seq.), also referred to as the ADA or the ADA Amendments Act (ADAAA)(Pub. L. 110-325). This federal law prohibits employers from discriminating against individuals with a disability who can perform the essential functions of a job with or without reasonable accommodation. A district should regularly analyze each position's job description to ensure that it identifies the position's essential functions. Consult the board attorney concerning compliance with the ADA.

⁴ The State law (105 ILCS 5/24-5, amended by P.A. 100-513), allowing boards to require physicals of current employees *from time to time*, has been superseded by the ADA, 42 U.S.C. §12112(d)(4). The ADA allows medical inquiries of current employees only when they are job-related and consistent with business necessity or part of a voluntary employee wellness program. Id. Districts may deny jobs to individuals with disabilities who pose a direct threat to the health or safety of others in the workplace, provided that a reasonable accommodation would neither eliminate the risk nor reduce it to an acceptable level. 42 U.S.C. §12113; 29 C.F.R. §1630.2(r).

Note that while examination by a spiritual leader/practitioner is sufficient for leaves, the statute does not authorize an examination by a spiritual leader/practitioner for district-ordered physicals of an employee. The difference may present a constitutional issue; contact the board attorney for an opinion if the employee wants to use an examination by a spiritual leader/practitioner.

Compensatory Time-Off ¹

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 et seq., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime.² An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime.³ If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off. ⁴

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ The federal regulations implementing the Fair Labor Standards Act (FLSA) governs the use of *comp-time*. 29 C.F.R. §§553.21-553.28 and 553.50. See policy 5:35, *Compliance with the Fair Labor Standards Act*, for discussion of the FLSA. In order for a district to offer comp-time, it must have a compensatory time-off policy or the topic must be covered in an applicable collective bargaining agreement. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. School officials should consult with the board attorney before adopting this policy.

The terms *comp-time* and *compensatory time-off* mean paid time-off that is earned and accrued by a non-exempt employee in lieu of overtime pay for over 40 hours worked in one workweek. Compensatory time-off in lieu of overtime pay must be at the premium rate of 1.5 hours of compensatory time for each hour of overtime worked (just as the monetary rate for overtime is calculated at 1.5 times the regular rate of pay). As a condition for using comp-time in lieu of overtime pay, the employer and employee must have an *agreement or understanding* before the work is performed. Further, the employee's decision to accept comp-time must be made freely. For employees represented by an exclusive bargaining agent, the agreement to use comp-time must be between the district and the bargaining agent.

For non-exempt employees who are not covered by a collective bargaining agreement, the *agreement or understanding* concerning comp-time must be between the district and employee. See exhibit 5:310-E, *Agreement to Receive Compensatory Time-Off*. If the district had a regular practice of comp-time before April 15, 1986, that is deemed an *agreement*. Notice to the non-exempt employees that comp-time will be given in lieu of overtime pay for overtime through bulletin board notices is sufficient to constitute an *agreement or understanding*, provided that the decision to accept compensatory time-off is made freely.

² This sample policy contains the maximum hours that the FLSA allows an employee to accumulate. It is a ceiling that an employee may hit several times, but never go over without using some of the time-off. A school board may forfeit flexibility and set this ceiling lower.

³ *Seasonal activities* include activities during periods of significantly increased demand, that are of a regular and recurring nature. A seasonal activity is not limited strictly to those operations that are very susceptible to changes in the weather. However, mere periods of short but intense activity do not make an employee's job seasonal. However, the 480-hour accrual limit will not apply to office personnel or other employees who may perform such seasonal activities only in emergency situations, even if they spend substantially all of their time in a particular workweek engaged in such activities.

⁴ The FLSA permits a board to require that employees reduce their accumulated compensatory time or face having their supervisor schedule the compensatory time-off for them. Christensen et al. v. Harris County et al., 529 U.S. 576 (2000). Such an optional provisions follows:

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations.⁵ The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

Notwithstanding the above and to avoid hardship to the District, an employee's supervisor may require the employee to reduce accumulated compensatory time, or schedule the compensatory time-off for the employee, so that the employee does not accumulate more than 75 hours of compensatory time, which represents compensation for 50 hours of overtime.

⁵ Optional.

Exhibit - Agreement to Receive Compensatory Time-Off

The School Board has a policy of granting compensatory time-off to non-exempt employees in lieu of overtime pay for time worked in excess of 40 hours in any workweek. I have either received a copy of the policy or been told where it may be found or downloaded. I understand that:

1. I must obtain my supervisor’s express authorization to work overtime before working in excess of 40 hours in any workweek.
2. I will earn compensatory time-off at a rate of not less than one and one-half (1.5) hours for each one hour of overtime worked.
3. I will be allowed to use accrued compensatory time-off within a reasonable period after making a request to use it, provided that my absence would not unduly disrupt operations considering factors like emergency requirements for staff and the availability of qualified substitute staff.
4. My supervisor may require that I use my accrued compensatory time-off within a certain time period, may prohibit my use of accrued compensatory time-off on certain days, may require that I cash out my compensatory time-off after a particular time period, and may otherwise limit my use of compensatory time-off.

I agree to receive compensatory time-off in lieu of overtime pay for time worked in excess of 40 hours in any workweek, and I accept this as a condition of my employment.
