CISD Created Educator Evaluation Instrument

DNA Legal allows school districts to develop their own educator evaluation instrument. Knowing that the State of Texas is currently revising the Professional Development and Appraisal System, a committee of CISD educators and administrators have developed an educator evaluation instrument aligned with the CISD Learning Framework, the new CISD Classroom Walk-Through Document, and the CISD Learning Design Rubric.

- Present the CISD created Educator Evaluation Instrument
- Review alignment with legal guidelines
- Review alignment with CISD Learning Framework
- Review alignment with CISD Classroom Walk-Through Document
