

Napi Elementary School

August 2025 Board Report

Napi's Vision Statement:

Napi Elementary School, a community of families, students, and staff will work to ensure the very best education for all our children through teaching, guidance, support, and structure.

Napi's Mission Statement:

Napi Elementary School is committed to providing high-quality instruction and support to promote the highest achievement of all students, both academically and behaviorally.

August has quickly arrived, and all staff are focused on ensuring the school is ready for staff and students!

The custodians have done an excellent job deep cleaning the school! The building is 90% ready, which is ahead of schedule from last year!

We are excited to welcome Joetta Roberts as a SEL Support Staff! She already has an established working relationship with her colleagues and knows most of the 5th grade students. She has several years experience working in the counseling field. We'd like to welcome Ryana Augare and Jacob Glaze to the 5th grade team! Both candidates have experience instructing in the district and using several of the district practices that we use at Napi Elementary. Finally, we are super excited to have Mrs. Angela HeavyRunner join our Team. She brings several years of experience as a teacher and principal, which we are fortunate to gain!

SBE will be working diligently the week of August 4th to ensure curriculum, action plans, and instructional focuses are established for the 2025 school year. A huge thank you to Shelby Hannon, Raelynn CalfBossRibs, Taylor CalfBossRibs, Jennifer HeavyRunner, Edi Wagner, Genevieve Bragg, Masala Prellwitz, Michelle Harrell, DeeDee Peterson, Jade Guardipee, Ryana Augare, Jacob Glaze, and Carson Bryant for participating in this work this week.

School supplies are being ordered for students through the school. Students will receive a water bottle, backpack, notebooks, pencils, and colored pencils. A fun-filled Water Day event has been planned for the students. Our focus is on encouraging students to start the first day of school, as opposed to starting after Labor Day.

Open House is tentatively scheduled for Wednesday, August 20th from 3:00PM--5:00PM. We have a Scavenger Hunt planned that will familiarize students with their school while meeting their teacher.
