### Nature's Classroom Field Trip

Dear Grade 5 Parent/Guardian,

We are very excited that the Board of Education has once again approved our field trip to Nature's Classroom in Lakeside, CT for May 15-17, 2019.

This packet includes all the forms that need to be completed prior to the trip. They include:

- Permission Form – completed by student and guardian
- Nature's Classroom student registration
- Home and Health Questionnaire
- Medication Administration Form

The cost of the Nature's Classroom trip is normally \$295 per student + transportation. Our school district has already paid the deposit for all students. The cost will be lowered further through some of our own fundraising we have been doing throughout the school year. **NO MONEY IS DUE RIGHT NOW.** In April a letter will be going home with students once we know how many students are attending. That letter will indicate a balance and due date.

If you would like your child to attend this year's trip please return the permission form and all other forms to the main office by Wednesday, April 10, 2019. **Again, we only need the forms back – no payment needed right now.**

If you have any questions please feel free to contact me at your earliest convenience.

Sincerely,

A handwritten signature in black ink that reads "Mario Ciccarini".

Mr. Ciccarini

*At Bradley School we leave our P.A.W.S. on everything we do. We Persevere, Act Responsibly, Work and Play Safely, and Show Respect. These are the characteristics that define who we are and will help us become positive role models in our school and community.*

### **Itinerary for Grade 5 Nature's Classroom Field Trip**

#### **Wednesday 5/15/2019:**

- We are leaving Bradley School between 9:45 and 10:00 am.
- Students should leave their luggage/bags in the front hallway outside of the foyer.
- Parents/guardians have the option of sending students to school their normal way but depending on how many bags they have that may be challenging.
- We recommend dropping students off to school with their bags.
- If you decide to have your student stay with you in the morning they must be at Bradley no later than 9:30 am to allow for time to help load the bus.
  
- We should arrive at Lakeside around 11:00 am.
- We will unload the bags from the bus and follow the directions of the camp staff.
- Lunch will be served at noon.
- Dinner will be served at 5 pm.
- Lights out by 10 pm (subject to discretion of adult supervising cabin).

#### **Thursday 5/16/2019:**

- Breakfast at 8 am
- Lunch at 12 pm
- Dinner at 5 pm

#### **Friday 5/17/2019:**

- Breakfast at 8 am
- Lunch at 11:30 am
- Depart for Bradley School by 12:30 pm
- Arrive at Bradley School by 1:30 pm - students to go home with parent/designee pickups

If you have any questions please feel free to call the main office or email Mr. Ciccarini at [mciccarini@derbyps.org](mailto:mciccarini@derbyps.org)

## at Lakeside, CT

### DIRECTIONS

**From I-84 in Waterbury, CT:** Take exit 20 (Route 8) north towards Torrington. Take exit 38 (Route 6, Route 109). Bear left at the end of the ramp and go under the overpass. Turn left at the first light and follow signs for Route 6 and Route 109. In about 0.5 miles, at the stop sign, continue diagonally across the intersection onto Route 109. Black Rock School will be on your left. **Continue on Route 109 through East Morris stop sign to the stop sign in Morris (intersection of Route 61). Continue straight on Route 109 for 3 more miles. Pass a cemetery, lake, and go up a hill. At the top of the hill, turn left onto Kenyon Road (this is a tricky turn, look for the Episcopal Camp sign). Camp entrance is about 0.5 miles on the left.**

**From southbound Route 8:** Take exit 38 (Route 6, Route 109). Continue straight through the light onto Route 6 and Route 109. In about 0.5 miles veer right onto Route 109. Black Rock School will be on your left. Follow directions in bold above.

### FEATURES

This property features eight recently renovated cabins sleeping 14 to 16 students each. Each cabin has a private adult room and an attached bathroom.

The property also contains about 400 acres of woodlands, a historic family cemetery, and rock walls dating back to the 1600s.

**Clockwise from top left:**

- Each cabin sleeps 14 to 16 students. Adults sleep in a private room in the cabin. Each cabin has its own bathroom with several sinks, toilet stalls and shower stalls.

- Students find a wide variety of creatures from yellow-spotted salamanders to crayfish. With such a densely rich property, there is a wealth of wildlife to find.

- Lucky students may have the chance to

find several species of reptile, including this ring-necked snake. They may also run across turtles, garter snakes, and deer tracks.

- Eight cabins ring the large field in front of the dining hall.

## **DEAR PARENTS,**

Your child will soon have an opportunity to participate in a residential outdoor school program. This letter attempts to answer some of the questions parents usually ask. Please feel free to ask us about any other concerns you may have about the program. Outdoor environmental education uses the out-of-doors for learning experiences that cannot easily take place in the classroom. Students and teachers learning outdoor awareness in this extended classroom can use the experience to help in their understanding of the natural environment, their school subjects, and the way people live. The program includes activities such as examining life in lakes and swamps, investigating weather, Colonial and Native American skills, and confidence building group challenges. A variety of field walks, classes in all subjects, and evening activities insure an exciting, stimulating experience.

**SUPERVISION AND STAFF:** Students are supervised 24 hours a day. In addition to the classroom teachers and chaperones accompanying each visiting group, Nature's Classroom has a permanent staff residing on site consisting of a director, environmental teachers on 1:12 ratio, and a nurse, EMT or health staff person on call at all times.

**HEALTH AND SAFETY:** There is no requirement that students undergo a medical examination before attending Nature's Classroom. The program is physically intensive, however, and you may wish to consult your physician if there are any concerns that should be brought to the attention of the staff. Such guidance will assist them in planning the program of activities with the students. Please note any special health concerns on the Nature's Classroom medical forms. The forms **must** be completed before a student can attend. Health and safety are our most important objectives! A fully staffed and equipped hospital is less than 30 minutes away from all of our facilities. Every student is covered by insurance while attending the program.

**CLOTHING AND EQUIPMENT:** A clothing and equipment checklist is furnished. Particular care should be taken in supplying ample footwear and pants, as students frequently participate in activities in wet areas. Clothes should be chosen for comfort and durability, rather than style. Please add or delete items appropriate for the season (gloves, hats, parkas, etc.)

**FOOD AND LODGING:** Meals are prepared by a permanent cooking staff and are served family style. Special dietary needs should be noted on the medical forms. Students, visiting teachers, and chaperones are lodged in winterized dormitories and cabins. Parents are welcome to visit any of our Environmental Education Centers and to view the facilities; such visits, however, should be made before or after your child's experience, preferably midweek. The physical facilities are always open, so a weekend visit might be possible. You must call the site and make an appointment with the Program Coordinator before coming.

**TELEPHONE:** The telephone is **not** available for the students' use, and parents are asked not to call students **except in case of an emergency**. The Nature's Classroom telephone number is **860-567-8403**.

**MAIL:** Mail is most appreciated by students, but to be safe, allow **4 days** for delivery. Mail posted midweek may not reach Nature's Classroom until Friday after the group has left (please make sure there is a return address in case we need to send it back). Please include the name of both the student and the school to assist delivery. Mail should be sent to **Nature's Classroom, 190 Kenyon Rd, Lakeside, CT 06758**.

## OVERVIEW OF NATURE'S CLASSROOM

Nature's Classroom offers a unique educational experience to students and their teachers. The goal of the program is to create an educational community that integrates social development, student-driven exploration and interdisciplinary study. Students are under adult supervision at all times both during the day and at night. Small student to teacher ratios are maintained to promote personal growth and provide individualized attention to each student. The Nature's Classroom staff is comprised of professional staff with a wide variety of academic backgrounds and interests. Nature's Classroom encourages students to cooperate as a community, strengthen their self-concept and gain an appreciation of curiosity and learning. Working closely with your student's classroom teachers, Nature's Classroom develops a program that dovetails with the classroom curriculum and reinforces key concepts.

A typical day at Nature's Classroom features a morning *Field Group*, afternoon *Special Interest Classes*, and a *Large Group Activity* in the evening.

*Field Group* is generally the first activity of the day. Students are assigned by their classroom teachers to a field group; each field group is assigned to a single Nature's Classroom teacher. During field group, a strong emphasis is placed on working and learning as a team. Each day with their field group, students have the opportunity to explore in natural surroundings while studying important ecological concepts and their connection to the world and its life support systems. Students are encouraged to use critical thinking skills and work together to investigate a wide variety of natural phenomena and relationships.

*Special Interest Classes* occur primarily in the afternoon. Students have an opportunity to choose classes from a wide range of interests and disciplines. Nature's Classroom prides itself in presenting hands-on classes that are planned in conjunction with your student's classroom teachers. Classes are selected to reinforce and build upon your school's curriculum and explore the relationships between various academic disciplines. In order to provide students with the maximum opportunity for discovery and growth, a new selection of classes are available each day.

*Large Group Activities and evening programs* are selected by the classroom teachers to best suit the needs and goals of the students. With subjects ranging from science to leadership, traditional living to theatre, and everything in between, large group activities are a great way to create shared experiences for all Nature's Classroom participants.

Breakfast, lunch and dinner are provided, as well as an evening snack at the close of each day. Meals provide an opportunity to interact with other members of the community and share personal triumphs and discoveries. The diversity of subject matter covered within field groups, classes and other activities encourages students and teachers alike to share their excitement and engage in meaningful conversation around the table. Medications and first aid are administered by an RN, EMT or other medical personnel who is always available. Lodging is dormitory styled.

Students return from Nature's Classroom with newfound interests, lasting memories, and a greater sense of independence. Relationships formed and strengthened among both students and their teachers carry over into the classroom and beyond. The real life experience, both social and academic, inspires an increased understanding and a deeper appreciation of community, education and curiosity. We look forward to providing your child with a unique opportunity to learn and play in a safe and supportive environment.
