Every Student Celebrated | Every Student Prepared

Hello Marauder Families!

We are excited to be approaching the end of our first semester of the 2025-26 school year!

As a reminder, the semester grades are what appears on a student transcript and are what determines if credits earned towards graduation are awarded. For most classes, the first two weeks of December are finishing up class instruction and assignments. The third week is our semester final exams week with a modified testing schedule on Thursday, December 18th and Friday, December 19th.

Take advantage of this natural halfway mark in the school year to celebrate student successes, acknowledge hard work, and plan for a strong second semester. It's also a great time to make any needed adjustments to sleep or time-management schedules for students. Winter sports, theatre productions, and other events will continue to run during break—please check communications from advisors and coaches to stay up to date.

One area an adjustment may be needed is attendance. If your student reaches over 9 absences in any class, they are required to appeal in order to earn any credits. Students cannot appeal in both semesters of the same school year. If semester 1 had too many absences, make adjustments to avoid a similar situation in semester 2.

The holiday season can be stressful for both students and families. With winter break approaching, I encourage all students to take time to rest, recharge, and enjoy moments with family and friends. When we return on Tuesday, January 6th, we'll begin the new year focused on continued growth, academic progress, and supporting each learner's success.

Thank you for your partnership, your communication, and your ongoing trust in our school. I wish you and your family a peaceful and joyful holiday season, and a wonderful start to the new year.

13th**

M a r a u D e r s

stopfinder

is now being used by MUHS Transportation!

Stopfinder is the all-in-one parent app that allows the MUHS transportation department to share your students' transportation schedule, announcements, and more with you. Stopfinder works with the MUHS transportation software to provide you with the most accurate schedule information as quickly as possible.

Stopfinder is secure and only for registered users.

The MUHS Transportation Department will send you an invitation providing access to login to the Stopfinder app. Invitations will be sent directly to your email.

Stopfinder is available anytime for Stopfinder Subscribers.

View your student's schedule from your mobile device.
Share student schedules with caregivers and family members and view announcements and notifications in the Stopfinder Message Center.

Check your email for a Stopfinder invitation and visit the AppStore or Google Play to download Stopfinder

**Preparations for
Operation Graduation's
38th successful year
celebrating our
Mingus Union High School
graduates are in the works
and we need your **HELP!****

**First Planning Meetings: Dec 4th, 18th &
Jan 15th @ 5:30pm in the MUHS Cafeteria**

Operation Graduation is a **FREE**, safe, adult-chaperoned event for MUHS 2026 graduates that takes place after the graduation ceremony. OpGrad is sponsored by Mingus Connection (MUHS Foundation), and is made possible *only* through volunteer efforts and community support. This event is planned and run strictly by volunteers so that all donations received are used for the celebration, which includes the facility & equipment rental costs.

We are looking for parents & community members who are interested in volunteering or donating toward the event.

Please feel free to reach out to our Committee for more information.

- Choose the donation type
 - one time or monthly
- Choose your donation amount
- Designation: choose "Operation Graduation"
- Complete details and pay
- **DONE!**

**Follow us on Facebook & Instagram
to keep up with all we are planning and
to find out how you can get involved!!**

SENIOR SPOTLIGHT

Lyra Earles

After graduation, Lyra plans to major in Musical Theatre! She hopes to study in New York, she is dreaming big! Ideally, she'd like to do professional theatre on stage, in a city to keep me busy for a while and then give back by being a high school theatre teacher.

Lyra has been a part of ATORT since her freshman year, she was the historian once, and this year she is ATORT President! ATORT helped her discover a lot about herself, namely what she wants her future to look like! She feels that she has met some of the most amazing, talented, and genuine people in the ATORT program.

Her favorite memories over the last 4 years have been of attending trips to Regional Choir. She has gone two years, and is hoping this will be her third! Singers audition in a solo musical selection, as well as for sight reading. Lyra says she always learns so much on this trip, but more than anything it's a perfect opportunity to bond with classmates!

With theatre keeping her so busy, Lyra has little free time, but when she can, she also loves to bake.

If she could go back and talk to herself as a freshman, she would tell herself to not let insecurities get in the way of what I need to do, and what I love to do. There is no shame in struggle, but it's important to apply yourself regardless.

STAFF SPOTLIGHT

Terri Bright
Media Lab Teacher's Assistant

Terri is an assistant in our ESS departments and also a Teacher's Assistant in the media Lab where she helps students make up or get ahead in their courses.

Her favorite part of the job is getting to know the students and what makes them who they are. What their hopes and dreams are, their plans after graduation and to be there for them.

Encouraging students and helping them succeed in making up their credits and excelling beyond that is what keeps her motivated. Terri has had students who started two or three grades behind and then graduated early, which makes her very happy! To inspire and motivate her students, she tells them that they can do anything that they desire to do. Never ever give up on your dreams.

Terri grew up in Cottonwood, and graduated from Mingus in 1977. She worked at COCSD for 19 years before coming to work at Mingus in 2010.

Her favorite thing to do is travel and to spend time with her family. She has two sons and two beautiful grandchildren. She also likes to cook and read in her spare time.

MARAUDER of the MONTH

TEACHERS AND COACHES ARE ASKED TO NOMINATE STUDENTS IN ALL ACADEMICS AND ATHLETICS DEPARTMENTS. THESE STUDENTS ARE THEN VOTED ON AMONGST THOSE TEACHERS & COACHES TO CHOOSE FINALISTS TO RECOGNIZE EACH MONTH. THESE STUDENTS ARE HIGHLIGHTED IN OUR NEWSLETTER AND INVITED TO RECEIVE RECOGNITION IN FRONT OF OUR COMMUNITY AT THE FOLLOWING MONTH'S BOARD MEETING.

VALLEY
ACADEMY FOR
CAREER AND
TECHNOLOGY
EDUCATION

VACTE INDUSTRY CERTIFICATIONS ~ FIRE ACADEMY VACTE STUDENTS ARE PREPARED FOR THE WORKFORCE

WHAT IS A FIREFIGHTER?

A firefighter is an emergency responder who is trained to extinguish fires, rescue people and animals from hazardous situations like burning buildings or car accidents, and provide medical care. They respond to a wide variety of calls, including structure fires, medical emergencies, hazardous material incidents, and other natural disasters.

WHAT DOES IT COST TO BE A FIREFIGHTER?

The Fire Academy can cost approximately \$5000. The cost for equipment can range from \$1000 to \$2000. There are other fees associated with a Fire Fighting program such as state testing, fingerprinting and other expenses.

WHAT DOES IT COST TO TAKE THE FIRE SCIENCE PROGRAM FROM VACTE?

Nothing!!! The Valley Academy for Career & Technology education (VACTE) fire science program pays for all expenses for the fire science program. VACTE also pays for the students to take the EMT program the fall of their freshman year in college. When these two requirements are complete and the students have passed the state required testing, our students are certified structural & wildland firefighters!

HERE IS A BREAKDOWN OF OUR VACTE FIRE SCIENCE PROGRAM:

The Fire Science class is a college-level course that is designed to prepare entry – level firefighters to successfully achieve Arizona Center for Fire Service Excellence Fire Fighter I & II, Hazmat Certifications. Students must be a Senior in high school to qualify to take this program. It will teach students to understand and manage the role and function of a firefighter as outlined in NFPA 1001 - Standard for Fire Fighter Professional Qualifications.

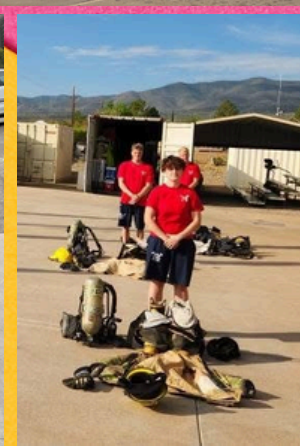

This course is hazardous by its nature and includes high-risk functions such as the use of a Self-Contained Breathing Apparatus, Wildland training, power tool operations, ladder operations, roof ventilations skills, vehicle extrication, and live firefighting exercises. Students conduct hands-on activities which prepare them for mentally and physically challenging experiences.

The VACTE Firefighter Certification Academy will earn 18 Yavapai College credits. The students will use the IFSTA Essentials 7th edition textbook including fire department operations, Firefighting equipment, tools, and safety.

There is an emphasis on the chemistry of fire, techniques and skills of a firefighter, and utilization of equipment and tools used in the fire service. This academic preparation is for Arizona Center for Fire Service Excellence Fire Fighter I & II certification, and all the Job Performance Requirements associated with it. The class will include physically demanding work and various skills courses that will allow you to be able to function on the fire ground.

VACTE currently employs 3 fire fighting instructors, Eric Ostler, Sal Unalde, and Jeremy Doerkson. All three of our instructors are still employed as full time firefighters and bring quality experience to the classroom.

We recently had two of our female VACTE Fire Science students attend the Trailblazer Academy! Woman firefighters are some of the best in the business!

There's no doubt that our Verde Valley community knows how to come together to support those who live here! This page will list some of those amazing Community Resources and let you know some of the events and happenings they have planned this month.
