

Board Workshop

Board Goal: Domain 3: Positive School Culture

Led by Dr. Monica Muñoz Martinez, Dr. Gloria González-López, Dr. Noël Bridget Busch-Armendariz, Caitlin Sulley, and the research team from The University of Texas that has been studying the impact of the tragedy at Robb Elementary since shortly after. The group will share insights from their findings that are relevant to UCISD. They will also offer research based guidance on initial considerations for how to approach deciding on a permanent memorial(s) at the corner in front of Robb Elementary.
