# Apollo Roofing Project Update

Roofing being completed in 2 separate projects.

- Second project (A-Wing)
  - Cleaned up and sealed for winter
  - Reconvene this summer and completed by July 1st, 2025.

# Misc. Projects

- Apollo South Parking Lot Resurface
- Oak Hill & Kennedy Tennis Courts
  - New Replacements (will include pickleball)
  - Proposals out for crack repairs and lining of other courts
- Oak Hill Pre-K fenced playground area
- Tech Paver Sealing
  - Replacement of cracked pavers
- Playground Repairs Around the District

# Misc. Projects

- A huge shout-out to our incredible custodial teams and building engineers!
  - From deep cleaning and sanitizing every corner to supporting major projects and prepping classrooms for a fresh start, they make our schools shine.
  - Their hard work over the summer ensures our students and staff return to a safe, clean, and welcoming environment.

# Project Funding

- Main projects funded with Long-Term Facilities Maintenance allocations (LTFM)
- North Junior High Nurses Suite and Auxiliary Gym
  - Building allocated capital funding
- Playground repairs completed with school board allocated, one-time funds

# Thank you!
