Hello everyone,

Thank you for the call today discussing A.C.A. § 6-18-213(b). Based on the Department of Education's recommendation, please remove our waiver request of A.C.A. § 6-18-213(b) from our upcoming Charter Authorizing Panel amendment request materials.

For your convenience, I have re-attached the slide deck that we will use to present our enrollment cap increase request. I have deleted slide 22 which covered the waiver. Mr. Erik Greenberg, Chief Executive Officer, and Ms. Brandi Adams, Chief Operating Officer, will be presenting to the CAP in Little Rock next week. Both are CC'd to this email if you have any questions for them.

Please let me know if you need anything else.

Best,

Zachary J. Larison

Subject: [External]Urgent Request re: Waiver Intent

Good afternoon, Mr. Larison,

The Charter Schools Unit of the ADE Division of Elementary and Secondary Education is in receipt of your charter Amendment Request for your Little Rock school and need to scheduling time to discuss details with you as soon as possible. Specifically, it is critical that we have a better understanding of your intent regarding your requested waiver.

Please feel free to call my mobile number below if necessary. Thank you in advance!

Freddie Scott

Operations Manager

Family and Community Engagement Unit

“The Engagement Unit moves beyond compliance by inspiring districts, agency partners, families and communities to engage in meaningful relationship-building in which all voices are equally valued.”
