Re: Marshall School Entrance Replacement System Bid Results

We would like to discuss the Marshall School Entrance Replacement System bid results at the next Building and Site Committee Meeting on December 1, 2014.

This request for proposal was placed on the Livonia Public Schools web site, Buy4Michigan web site and published in the Livonia Observer & Eccentric newspaper in October. The bid was opened on Tuesday, October 28, 2014. We received bid proposals from four vendors. Please see the attached bid results and recommendation from the George W. Auch Company. They are recommending the lowest responsible bidder.

Please include this item on the agenda. Feel free to contact me if you have any questions. Thank you.
