The Beecher Road School Extended Day Program is an afterschool program operating from dismissal to 6:00 p.m. throughout the school year. The program will begin on Wednesday, August 27, 2025.

****There will be no Extended Day on Parent Teacher Conference days and minimum days for the 2025-2026 school year.**

We are committed to ensuring that your child is safe and happy while you're at work! We are following the school's safety protocols to keep students safe in our afterschool setting. We offer a variety of activities such as: art, technology, Indoor and Outdoor Games, science, Dance party, Bingo, Legos and so much more. We also offer homework time for all grade levels as well as opportunities to play outside. The staff provides a relaxing environment where children from Kindergarten to sixth grade may play with friends in both structured and unstructured activities. We also provided snacks for the children every day.

Certified teachers and teacher assistants from Beecher Road School are the core of the program. We also have hired 10 of the top Amity High school students who have experience working with children to assist in our program. A Certified Nurse is on-site from 3:30 pm-6:00 pm to handle any medical needs.

The Extended Day Program fees are paid **monthly** and vary according to the **number of days** per week a child attends. The only exception is on August 27th, 28th and 29th where parents can only register their child/children using our Daily Drop-in fee. Program fees have remained the same for over fifteen (15) years, however, do to the rising cost of staffing, snacks, supplies and fixed costs our program pays the District we have modestly increased our fees to cover our costs. There is **no limit** to the number of Beecher Road School students that can attend our program.
