Out-of-State Trip
Boys Tennis to WI

SUGGESTED SCHOOL BOARD ACTION:

Preliminary approval

DESCRIPTION:

This is a trip that our boys tennis team has taken in the past. We travel to Eau Claire Memorial High School in Eau Claire, WI to compete against some of the top teams in WI each year.

This trip will provide an opportunity for our Varsity team to compete in a two-day tournament (one match on Friday and two matches on Saturday) and for our JV team to compete in a tournament on Saturday (2-3 matches).

In addition to providing the opportunity for high level tennis competition, the opportunity to spend a night in a hotel and to participate in other team-bonding activities during the trip makes this an important part of our team building process during the season. It allows upper and lower classmen to spend time together off the court, having fun and building relationships.

I believe it is a valuable part of our season and an important part of our team's development during the year.
