RE: Calendar Update for the 2020/2021 School Year
DATE: April 12, 2021

Attached you will find an updated school-year calendar the includes one change for the remainder of the 2020-2021 school year. Specifically, we have re-instituted the half-day school improvement day for Friday, May 14th. This half-day has historically been scheduled for a Friday in May and is typically used for important year-end planning and collaboration. May 14th was scheduled as a half-day as the year began but the scheduled half-day was eliminated when we implemented our Remote Friday schedule. With our transition to 5-Day In-Person learning we are re-instituting this half-day for Friday, May 14th.
