- OW trip - there are a few chaperones that are unable to attend so there is space if anyone would like to go.  
Other needs for OW trip - order nature journals for all attending to use for journaling time. Snacks for evenings
- Earth Day Monday, April 22nd - We discussed and all-school Earth day assembly with a video presentation of the 2 overnight trips (Astronomy and OW), data and information from human encounters and MESS-E, and a game or activity. Karen and Clare will help to put something together and reach out to Sheila as well. Clare, Becky, and Jennifer will collect pictures and information about the overnight trips to share with the school.  
Can Sheila create the invite? What time works best? Karen and Clare, what do you need to put this together?  
Becky will reach out to Sheila to send out invites - Thursday April 18th 11:30. Let's record it and send it out to everyone after we finish in order to include even those who could not attend.
- End of year data collection - You can send me the data as soon as you have finished. Let's have all data in by May 29th at the latest. When you submit your data please also let me know if you feel like this strategy needs to be changed for next year.
