## **INFORMATIONAL REPORT:**

American Electric Power (AEP) is providing an opportunity to be a part of a Grant which will benefit three elementary schools in the area of science. The grant will provide learning units, (\$7,500 estimated cost) which are designed to help classroom teachers in the listed TEKS areas. These units contain lessons, photos, supplemental handouts and other aides. These are constantly evolving and expanding to keep current and to expand toward a STEAM integration.

The three campuses which will be included for this science endeavor from the Grant are:

- Finley Elem.
- Nye Elem.
- Killam Elem.
