## A MESSAGE FROM SUPERINTENDENT VALENZUELA

Dear Three Rivers Students, Families, Teachers and Staff:

I first want to thank you for your patience this week as the district leadership team worked to develop strategies for bringing our students back to campus. Your individual schools will be reaching out with more specific details, but I wanted to share with all our families a few important details about the basics of our district strategy.

The "Return to School" plan will first have our **4th and 5th** graders returning November 16th, and our **6th-12th** graders returning in limited numbers beginning November 18th. There will also be some minor schedule changes. Specifically, November 10th and November 12th classes will be cancelled for **4th and 5th** grades while classes for **6th-12th** graders will be cancelled November 23rd and 24th. These are to allow teachers additional time to reset from distance learning at home to in-person instruction.

More details will be coming directly from your school leaders, so be on the lookout for additional information specific to your individual schools.

Thank you again for all your support during this process. We still have work to do to get all our kids back, every day of the school week. This is the next step towards that goal.

Sincerely,

Dave Valenzuela

Superintendent

## Cassie's Corner...

Congratulations on making through the first quarter of the 2020-2021 school year! I just wanted to share a few thoughts with you as we all move forward in to the new quarter:

- **Reminder-** you have until November 24th to raise your grade from the 1st quarter. Contact your teacher with any questions you may have.
- **It's the beginning of a new quarter. This is a fresh start.** Take advantage of this time if your 1st quarter grades needed improvement. You can do it!
- **Utilize your breakout sessions, extra learning opportunities (ELO) and teacher office hours for support.** We are all here to help you be successful.
- **We look forward to having you all back at LBMS soon. In the meantime, enjoy your FALL and remember to take a moment for yourself each and every day.**
