Andrea,

We had a wonderful tour last week of the Middle School and appreciate so much that Natasha took time from her busy schedule to be so thorough with us! We loved the building and would like to request a building use application right away so we can lock that building in for our event in August. Karen indicated to me the last time I spoke with her, that she would **waive the janitorial fee as** we are serving educators with this training. Please confirm this with her before you send us the contract to sign.

We are looking to use these spaces:

- Commons area for breakfast and lunch each day
- Front hallway for registration (need two long tables and four chairs)
- Two north pods (left of library) for up to 5 classrooms
- Library for spill over small group work

We need to arrange for breakfast and lunch all four days so if you can put us in contact with your food service lead or outside caterers you work with, that would be wonderful.

And, lastly, we would also like to know how many parking spaces are available at the middle school and if parking across the street at the high school is available.

Many thanks and we are looking so forward to sharing this beautiful space with teachers!
