

Teaching, Learning & Relevance

Current Work

- Midyear iReady testing wrapped up before Winter Break. These results are used on our scorecard for midyear progress monitoring and intervention/WIN placements. This data is also used for our MLSS meetings with parents.
- CESA coaching with continuing with Math and ELA
- Our annual Showcase night will be taking place next month. Staff are starting to plan and prep for activities for this night.

Whole Student

Current Work

- Great Kindness Challenge
 - Students will be participating during this month's TEAM Hatchet Pride Lesson
 - This activity is a challenge that happens across the world to share random acts of kindness. Teams will be asked to complete a checklist of tasks. The team that completes their list first will get 10 Hatchet Pride points per student.
- There is a meeting for the DC/NYC trip on January 14 at 6pm to discuss room arrangements and itinerary. We will also have chaperones have a brief meeting to talk about their expectations as well. The trip is June 8-13th and we have 35 students and 18 chaperones attending.
- We will be conducting our mid-year Student Connection survey this month

Communication & Community Engagement

Current Work

- [TMS January Newsletter](#)

District Workforce

Current Work

- A team of staff went to the SLATE (School Leaders Advancing Technology in Education) conference December 9-10. The conference was excellent and staff are very excited to share what they learned.
- TMS Building Leadership team
 - Work on grade level/individual plans for the Spring showcase
 - Work on the Hatchet Pride Life Skills rubric
 - We are still trying to finalize the rubric for parent access on NextPath
 - Work on grading policies at each grade level for the 2027-27 school year
 - Formative vs. Summative grades and what this looks like at each grade level
 - Parent/Teacher conference planning for next fall
 - Looking at potential different formats to ensure maximum participation and flow
