

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: April 12, 2011

TITLE: Resolution Recognizing the Special Contributions of Teachers and Other Professional Personnel

BACKGROUND: The contributions made by Educational Support Personnel. In doing so, the Board noted that the contributions of teachers are also formally recognized once a year on a national basis. This year, National PTA Teacher Appreciation Week will be May 2-6, 2011, with National Teacher Day being observed on May 2, 2011.

National Teacher Appreciation Week has been so designated by the National PTA in cooperation with the NEA. Observance has been celebrated by schools across the country in one form or another, since 1944. The National Education Association has also declared that the Tuesday of Appreciation Week be observed as "National Teacher Day."

There is currently no federal celebration of teachers. Congress has only twice declared a National Teacher's Day – in 1953, at the behest of Eleanor Roosevelt and in 1980 after much lobbying by the NEA. Both Congressional declarations were for those years only. The contributions of teachers, of course, can be seen – and should be celebrated – day in, day out, year in, year out, regardless of Congress' action or inaction on the subject.

A resolution has been prepared to not only recognize the contributions of teachers generally, but also those of Amphitheater teachers specifically, and to call for a federal recognition. This form of resolution also recognizes the many professional employees who may not fit into the traditional notion of "teacher" but who are also deserving of recognition for the instructional and related services they provide to students as well.

RECOMMENDATION: The Administration recommends the Board's adoption and dissemination of the attached form of resolution.
