Re: Bid and Purchase requests

Each November it is necessary to renew our DUO licenses for all Weber School District employees. DUO is a multi-factor authentication service that significantly increases the security and protection of Weber School District's Network, Servers, and Databases. Funds for this purchase are from regular operating budgets. The prices listed are below the NASPO/State Contract price.

I am requesting board approval for the following:

4700 DUO Multi-Factor Authentication licenses for all staff – \$61,000

Thank you for your consideration of this purchase. As always I appreciate your continued support of technology in the district. If I can provide you with further clarification or answers to questions, please contact me at 801-476-7979.

Thank you.

Dr. Jennifer Boyer-Thurgood
Director of Technology
