Regular Meeting - Board of Education

Date: December 10, 2015

Agenda Item #10. G.

TOPIC: Resolution Directing the Administration to Prepare Recommendations for Reductions in Programs and Positions and Reasons Therefor.

BACKGROUND: In the last eleven years the school district has made budget reductions in eight of them. In the event of financial constraints, the board has directed the administration to prepare recommendations for reductions. Although there is a projected budget surplus, the legislature has not funded education at an appropriate level and it is quite likely that the district will have to make budget reductions and adjustments.

ACTION RECOMMENDED: Direct administration to prepare recommendations for the 2016-17 school year.
