HEARING

Subject: Tentative Tax Levy Hearing

Prior to the adoption of the 2022 tax levy, a hearing has been established to allow citizens to speak to the content of the tentative tax levy. Under the Truth in Taxation Act, a school district is required to conduct a hearing should the tentative tax levy extend 5% or more in aggregate property taxes from the prior year.

The appropriate public notices have been filed, and the levy has been on display at the district office as required by law.
