2016-2017 BUDGET**

BUDGET OVERVIEW

PURPOSE OF THE BUDGET

The purpose of the budget is to provide a financial plan with estimates of proposed expenditures for a given period and purpose, along with the proposed means of financing the plan. To achieve this basic objective, a comprehensive budget system is integrated within the financial accounting system.

The budget reflects the school district's priorities and expectations and is a guide for future activities, both financial and program. The structure and format provided by a well-designed budget promotes sound decision making when allocating resources and prioritizing the importance of school district services.

KEY OBJECTIVES OF THE BUDGET PROCESS

- Integrate the budget process so that each program's activities contribute to the goals and educational priorities and needs of the school district.
- Communicate the budget process clearly to school district staff and community.
- Relate estimated costs and actual costs to specific programs/activities.
- Utilize historical data for budget preparation and related monitoring, assessment and planning decisions.
- Achieve consistent budgeting and reporting.

SIGNIFICANT STATE STATUTE REQUIREMENTS

- Prior to July 1 of each year, the school board shall approve and adopt its initial revenue and expenditure budgets for the next school year. The adopted expenditure budget document shall be considered the school board's expenditure authorization for that school year. No funds may be expended for any purpose in any school year prior to the adoption of the budget document which authorizes that expenditure for that year.
- The school district shall maintain separate accounts to identify general fund expenditures for each school building.
- The budget and supporting data shall be maintained and made available for public review.

FOOD SERVICE FUND

On May 9, 2016, the Director of Food Service presented a preliminary budget plan for Food Service. The budget plan was developed with a planned increase of \$0.10 on paid lunch meal prices. For the 2016-2017 school year, the Buffalo-Hanover-Montrose paid school meal prices will be as follows:

	<u>Breakfast</u>	<u>Lunch</u>

COMMUNITY SERVICE FUND

On May 9, 2016, the preliminary Community Service budget was presented. The program continues with a similar level of programming as the prior year which also includes the Little Kid Kare program and the Kid Kare program.

HRA TRUST FUND

The District has created a sunset clause in the teachers and administrators contracts. Individuals hired after the sunset date in their respective contracts are no longer eligible for the grandfathered post-retirement insurance benefits. The new provisions require the district to make an up-front contribution to the employee's HRA account upon hire and an annual contribution to the employee's HRA account for each year of service. Each contract has a contribution limit for the individual employee. These funds are held in an irrevocable trust fund and the employees have to meet certain vesting requirements before they can access these funds. The balances shown for this fund represent contributions and any accrued interest earned on those funds. Contributions to this trust fund are included as part of the General fund expenditures.

BUILDING CONSTRUCTION FUND

On November 4, 2014 voters of the school district approved a bond issue for the improvement and betterment of facilities. The funds will be used for upgrades in the following categories: Safety and Security, Deferred Maintenance, Technology, Building Additions, and Activities. The projects began in the spring of 2015 and will continue over a 5-year period.

Other Funds

06 Building Construction Fund

The Building Construction Fund is used to record all operations of a district's building construction program that are funded by the sale of bonds or by capital loans.

Construction costs for buildings and additions consist of the following: expenditures for general construction; advertisement for contracts; payments on contracts of construction; installations of plumbing, heating, lighting, ventilating and electrical systems; expenditures for lockers, elevators, and other equipment; architectural and engineering services; travel expenses; paint and decorating expenses; and any other related costs.

Where a balance from a bond issue remains in the Building Construction Fund after the project has been completed and all claims against the Building Construction Fund have been paid, the balance must be permanently transferred by official board resolution to the Debt Service Fund and used to pay the bonded indebtedness incurred in the project.

07 Debt Service Fund

The Debt Service Fund is used to record revenues and expenditures for a school district's outstanding bond indebtedness, whether for building construction, operating capital or for initial or refunding bonds.

When a bond issue is sold, the school board must levy a direct general tax upon the property of the district for the payment of principal and interest on such bonds as due. The revenue from such a tax and related state aid must be separately accounted for in a Debt Service Fund.

There can be no borrowing from the Debt Service Fund. Any cash balance or investment in the Debt Service Fund is held in trust for the bondholders and must not be used to support cash deficits in other funds.

16 Alternative Facilities Fund

The Alternative Facilities Fund is used to record revenues and expenditures associated with projects over \$500,000 and fall under the Health and Safety Program. Projects are funded by property tax levy or by the sale of bonds. Categories of qualifying work include deferred maintenance, health and safety, and disabled access. These projects must have prior state approval and meet all specific requirements of Minnesota State Law.

45 OPEB Trust Fund

This trust fund is used for reporting resources set aside and held in an irrevocable trust arrangement for post-employment benefits. District contributions to this fund must be expensed to an operating fund.

47 OPEB Debt Service Fund

Activity to record levy proceeds and the repayment of the OPEB bonds will be accounted for in this fund.
