

**East Aurora
High School
Welding III
Course
2026-2027**

Ms. Jennifer Mitchell

East Aurora Principal & Director of
High Schools

Dr. Ami Engel

Associate Superintendent for
Curriculum, Instruction, & Assessment

EAST AURORA

SCHOOL DISTRICT 131

Welding III

Open to students in grades 10, 11, and 12 who have completed Welding I and II.

This year-long course will expand the EAHS welding pathway endorsement to prepare students for either college or employment directly after high school.

Course Information

In Welding 3 students continue Stick (SMAW) welding and will be introduced to TIG (GTAW) welding.

Students complete projects focused on structural layout, precision welding, and fabrication planning. Successful completion of this course will earn Dual Credit in GTAW (TIG) & Articulated Credit in SMAW (Stick Welding) through Waubonsee WLD 130

This course will utilize existing staff and equipment.
