Subject: Music Department Field Trip

The music department is currently working with Bob Rogers Travel to propose a timeline for an upcoming field trip for Julian Middle School music students. This field trip, pending approval from the Board of Education, is scheduled to take place on Wednesday, May 18, 2022. The Cruise would be an all-day event for approximately eighty 8th grade students.

The Cruise replaces the 3-Day Cleveland Music Festival out-of-state Field Trip that was scheduled to take place this year, but was canceled. The cost depends on the total number of students attending but will range from \$70-\$80 per student with fundraising and financial assistance available to all attendees.

We are asking the board at its February 22, 2022 meeting, to approve the Music Department Field Trip with proper mitigations to be outlined for this one day event.
