Discussion Item IV-D: Review of Proposed Resolutions for the MSBA Delegate Conference

Presented by: Members of the Superintendent's Cabinet

Background:

Each year, school districts submit resolutions to MSBA which are reviewed in December at its annual Delegate Conference. These proposed resolutions are voted on by member district delegates and if supported, they are used to shape the MSBA legislative platform for the coming year. The discussion will include proposed resolutions to submit on behalf of the St. Cloud Area School District School Board.

This agenda item will come back for approval at the September 3, 2025 Board Meeting.

Administration Recommendation:

Board action is not required.
