| This is the hid for 2025 Pack Community Saha |                                                                                                                                                                                                                               |                  |                 |

This is the bid for 2025 Peck Community Schools mowing season. Sometimes the amount of times cut is less/more that is the average. Also, spring cleanup might be more depending on the amount of debri. Any questions give us a call. Thanks Del
