NSBSD PILOT COURSE PROPOSAL OUTLINE

Course Title: _____ Grade Level(s): _____

Course Information: Semester or year Elective or Required or Intervention

Prerequisite(s): _____ Content Area: _____ Fund Source: _____

Proposed By: _____
School Teacher

Building Administrator Recommendation: _____
Signature Date

Implementation Date: _____

A completed course proposal is due November 15th. Your completed course Proposal should address each of the following components:

1. Rationale. How does this support the goals of our District? What gap(s) in the current curriculum are filled by this pilot course?
2. Course description. (Approximately one paragraph.)
3. Learning Objectives. Include correlations to AKSS, ILF, and other applicable standards.
4. Content outline.
5. Textbooks, Student Issued Learning Materials and/or Instructional Resources needed. (Are these materials currently adopted or available?)
6. Cost of course start up, if applicable. (Equipment, training, etc.)
7. Proposed course free, in any.
8. Place holder units in Rubicon.

Do not write below this line; for Curriculum Department use only.

Curriculum Department Approval: _____ Date: _____

Iñupiaq Education Department Approval: _____ Date: _____

This Pilot Course is: **Approved** **Not Approved**

Superintendent Approval: _____ Date: _____

This Pilot Course is: **Approved** **Not Approved**

Comments/Notes: _____

Note: 1) NSBSD newly adopted materials are eligible for Pilot Program proposal after 3 years of full-implementation. 2) Renewal of Pilot Program may be requested. Outcome of Pilot Program will be reviewed and assessed for Year 2 of Pilot.
