

DUNCANVILLE ISD

Writing success stories, one student at a time.

Regular Board Meeting

March 17, 2025

AGENDA SECTION: Information

SUBJECT: Police Department's Racial Profiling Report Presentation

BOARD POLICY:

STRATEGIC GOAL(S):

FISCAL NOTE:

PREPARED/PRESENTED BY: Interim Chief of Police Max Geron

Background Information

The State of Texas requires that police departments collect certain data points related to motor vehicle stops and have that data analyzed each year to determine whether or not those agencies are engaging in the practice of racial profiling. Further, the law requires that this information be presented to the agency's governing body by March 1st of every year. Because of transition, we were unable to present the report to the School Board before that date.

Recommendation

Recommend that the board receives and reviews the data.

Communication Deployment

Suggested Motion

+++++

Respectfully submitted,

Dr. T. Lamar Goree
Superintendent
