

**Information item on District Turn Around and Targeted Intervention Plan
November 17, 2025**

1. Background:

The Texas Education Agency (TEA) requires each district identified for school improvement to hold a public meeting to share information regarding its [Targeted Improvement Plans \(TIPs\) and Turnaround Action Plans \(TAPs\)](#).

These plans outline the district's and campuses' strategies for improving student outcomes and addressing areas identified through the state accountability system.

2. Process:

Uvalde CISD campuses have conducted multiple face-to-face stakeholder meetings to gather staff, family, and community feedback.
